OKAFOR EMELDER
SOFTWARE ENGINEER

PROFILE SUMMARY

I'm a smart, reliable and innovative software engineer proficient in HTML, CSS, JavaScript, React and other technologies for developing maintainable, responsive, scalable and user friendly frontend applications. I learn quickly, think critically and can work independently on any task to arrive at a workable and most profitable end point.

WORK EXPERIENCES

Frontend Developer   **2020-Present**
Ascendancy, Lagos, Nigeria

- Designing effective and attractive user interfaces for a variety of platforms
- Updating websites according to new design requirements
